

# UIL Music Region Late Fee Policy

## MARCHING CONTESTS

ALL entries must be received online, and checks and Invoice Form 1As postmarked, **no later than 37 days prior to the first day of competition.** (The extra 7 days is mandated by our Executive Committee, with the hope that this will allow plenty of time for the entries to be processed by all parties and the schedule sent out 2-3 weeks prior to the contest.) **Please be aware that there is a \$50 fee for late entries, including the check. This was not enforced in the past, but the State Office has asked all regions to strictly adhere to the deadlines.**

**All Solo and Ensemble Contests are governed by the following rules concerning late entries:**

- 1) The original campus entry **MUST BE ON FILE** with the original deadline met.
- 2) “Additional” entries may be added by paying a late fee of \$25 per ensemble or per solo, but again, the initial entry must have been done by the deadline date.
- 3) The Executive Secretary may disallow late entries if they create major disruption to the contest.
